

# NEVADA SECONDARY SOURCES

## Introduction

Secondary sources help locate and explain primary sources of law and can be an excellent starting point for legal research. Secondary sources may influence a legal decision but they do not have the controlling or binding authority like the primary sources of law.

## I. General Secondary Sources on Nevada Law

These materials provide general information and are often a good place to begin legal research.

### *Nevada Legal Research Guide*

Jennifer Larraguibel Gross, Thomas Blake Gross

KFN675 .N48 2012

Provides a description of legal information sources in the state, explains where and how to locate these services, and describes how to use them. In addition, an appendix listing and defining Nevada legal research-related acronyms and abbreviations is included.

### *Nevada Law Summary*

Alverson, Taylor, Mortensen, Nelson, & Sanders

KFN680 .N476 1999

### *Elements of Nevada Legal Theories*

Steven Klearman, Kevin Wang, Katie Johnson

KFN1133 .K58 2010

Provides the elements of Nevada's most frequently pleaded common law and statutory claims, together with supplemental information for each claim that covers facts, proof, remedies and damages. Used by attorneys and judges throughout Nevada.

### *Encyclopedia of Nevada*

Nancy Capace

F841 .E43 2001

Contains detailed articles on State Symbols and Designations, Geography, Indians, Political Directory, Directory of State Services, State Constitution, State Historic Places and more. This volume is part of the Encyclopedia of the United States Series.

### *Nevada Pattern Jury Instructions (Civil)*

State Bar of Nevada

KFN1142.6.A65 N47 2011

Topics include negligence, personal injury, intentional torts, products liability, premises liability, medical malpractice, fraud, punitive damages, contracts, contractual relationships, commercial torts, employment, and construction defects. There is also an appendix with forms.
