Re: Proposal for an Association of Law Teachers  

Dear Professor Emerson:  

I will join in transmitting the proposal for an association of law teachers.  

I would not propose any substantial changes in the proposal. I am convinced by the simple argument that there ought to be an association of law teachers, that there is none now, and that AALS is, as its name says, an association of schools.  

I hope this good idea prospers.  

Sincerely,  

E. Clinton Bamberger, Jr.
